**Solo: D | D | C | G | D | D | C | G x2  
G | G | G | G - D**

## song structure

**Intro > Chorus > Chorus > Bridge > Chorus > Solo > Chorus**

## tips

- This 1962 song was the first official single released by The Beatles. With the exception of the bridge it can be considered a 2 chord song.
- Watch out for the 9th bar in each chorus where no chord is played - just leave the last strum from the previous bar hanging until you start up the strumming again.
