

Eleanor Rigby by The Beatles

chords

chord progression

Intro/Chorus: C | C | Em | Em x2

Verse: Em | Em | Em | C | C x2

Bridge: Em7 | Em6 | Em aug | Em

song structure

Intro > Verse > Bridge > Verse > Bridge > Chorus > Bridge

tips

- You can play this whole song just using 2 chords - C and Em. To do this for the bridge just play Em for each bar apart from the Em aug bar where you will play a C.
- To play the more advanced version of the bridge you will need to switch the fingers you use to make an Em when you get to the Em aug.
