**A | E | Bm | Bm**

## song structure

**Intro > Verse > Chorus > Instrumental > Verse > Chorus**

## tips

- Called the 'dreamiest single of the 90s' this 1993 release is a great song to start practising bar chords to with it's emphasis on the Bm chord.
- The song is in 6/8 time as well which gives us a count of 6 in each bar. Try accenting both the 1st and 4th beat in your strumming pattern.
