

# Hurt by Johnny Cash

## chords

## chord progression

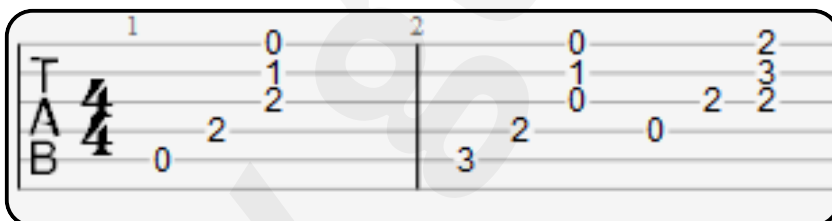

**Intro/Verse: Am | C - D**

**Chorus: G | Am | Fmaj7 | C**

## song structure

**Intro > Verse > Chorus > Verse > Chorus**

## intro/verse arpeggio

## tips

- This Johnny Cash cover of the Nine Inch Nails song Hurt contains a great arpeggiated chord progression for the intro and verses, and a simple strumming pattern for the chorus with just 8 down strums per bar.
- Look out for the half bar pause on the Am for the intro/verse arpeggio before playing the C chord.
