## additional info

- Released 1995
- Time signature: 4/4
- Capo 2<sup>nd</sup> fret.
- A must for all guitarists this song is relatively easy for beginners as you can keep your 3<sup>rd</sup> and 4<sup>th</sup> finger positioned in the same place throughout the song.
- The strumming is a bit trickier so the key is to keep your wrist and pick grip relaxed and don't worry too much about copying the exact strumming pattern.
