Intro > Break > Verse > Chorus > Break > Verse > Chorus > Break > Outro

additional info

- Released 2000.
- Time Signature: 4/4
- Coldplay's breakthrough single is actually based on a B, F#, E chord progression and an alternative tuning of: E, A, B, G, B, D#
- However, for this easy version we will stick with standard tuning and a capo at the 4th fret so we can use more common open chords.
